

TE TŪKOHU NGĀWHĀ

Mātauranga Māori Science & Design Fair
Rotorua Energy Events Centre: 26-28 August 2026

Explore environmental issues through a Te Ao Māori lens, combining mātauranga Māori with western science to find creative, innovative solutions for our taiao. This is a platform for sharing ideas, learning from others, and inspiring action!

WHO CAN PARTICIPATE?

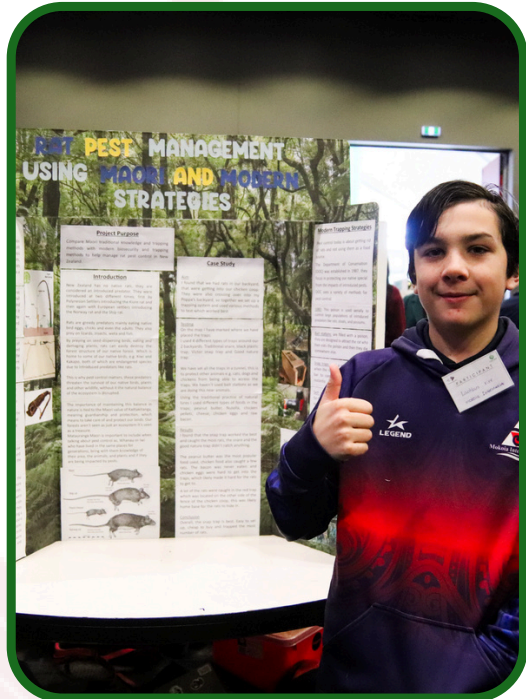

- All schools | All ages | All regions
- A celebration of collaboration, creativity and solutions
- Focused on Te Ao Māori and environmental responsibility

SCIENCE CATEGORIES

Biosecurity | Biodiversity & Conservation | Water Environments
(fresh & marine) | Mātauranga Māori | Sustainability
Climate Change Adaptation & Resilience

Art Competition: Students can also create artworks inspired by the six themes above.

PLUS! Environmental Photography | School STEM Promotional Showcase
